Gateway Christian School

Return Jan 4

Please note the calendar change: To make up for the lost day due to the hurricane, we will return from Christmas break on Monday, Jan 4 (instead of the 5th).

Christmas Attire

Students will be able to dress in Christmas attire on Friday, **December 18th**. Feel free to wear your holiday sweaters, socks, hats, etc to celebrate the season.

Paid Balances

As per the school board, all semester **student accounts must be paid in full by the end of December to ensure readmittance in January**. Payments can be made online at www.mygatewaycs.com or in the office. If special arrangements are needed, please speak directly to Mrs. Curet. Thank you.

Our last day before break is Dec 18 @ noon.

COVID Safety

The CDC and Lake County Health Department has issued updated protocols relating to COVID-19. With the cases rising, we will need to “step up” our efforts to remain safe and keep the virus at bay. Masks will continue to be the norm in the classrooms and in the building. I want to encourage all families to continue being diligent over the Christmas break. Remember to **mask up, wash up, & back up**. If we all follow these basic guidelines, we will be able to continue our “brick & mortar” academic program. We feel strongly that face-to-face instruction is preferable but we need everyone to do their part.

Thank you!
